MICHELIN AGILIS LT

BUSINESS EFFICIENCY

"Improve your productivity"

- Longer life

- 5% Wider tread ⁽¹⁾
- 3D Self-blocking sipes to reduce uneven wear

(1) Compared to MICHELIN XZA range

"Transport with peace of mind"

- Reliability

- MICHELIN truck casing with crown and sidewall protections
- Cool running tread compound to minimise overheating
- New sidewall design to have greater resistance to aggressions

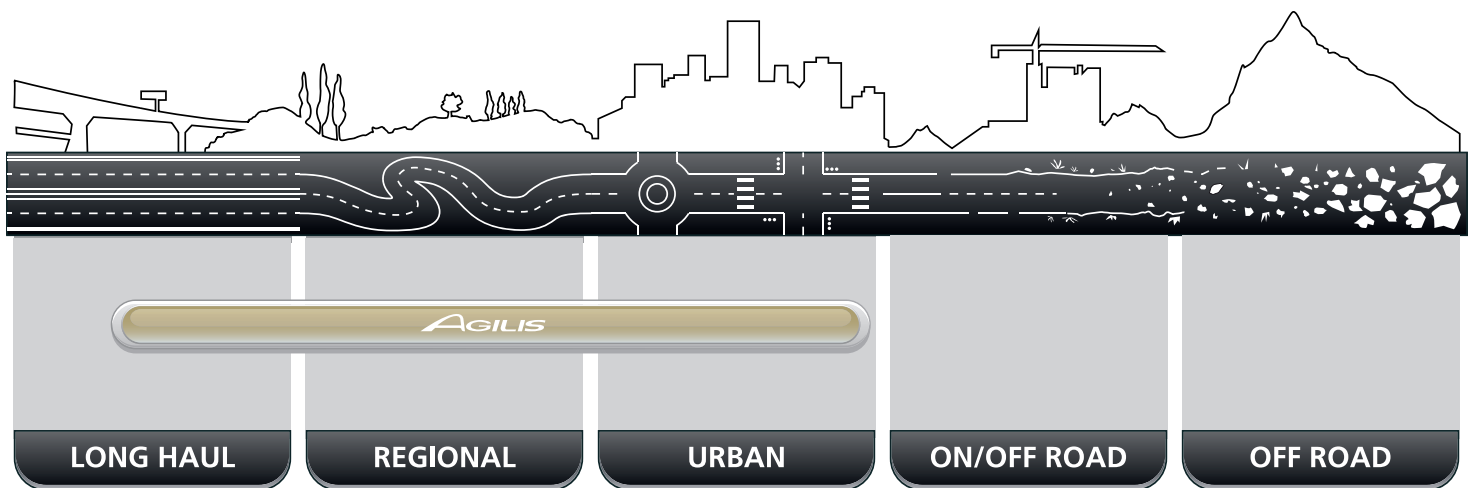

SECURITY

"Transport safely"

- Excellent grip

- 3D Sipes interlock in the tread blocks for excellent rigidity and grip on all road surfaces to the last millimetre
